BANK OF AMERICA DONATES TO QUINCY NONPROFIT

Bank of America recently gave a \$50,000 grant to Quincy-based Cradles to Crayons, a nonprofit organization that equips homeless and in-need children with clothing, shoes and school supplies. The nonprofit organization will use the funds to deliver winter necessities to 12,000 children in need. Bank of America volunteers joined Cradles to Crayons on Oct. 8 to deliver winter clothing to Dorchester and Roxbury families at the Project Hope center in Boston.
