

Happy Holidays in 2008!

Every child wants to see Santa, in good times and in bad, so we do our best to bring his jolly good cheer into every Project Hope home. You have been in Santa's workshop in the past. Can you again help us wrap our children in warm hats and scarves and bring them the comfort of a much desired gift?

We are collecting **new** books, games, and toys, for children ages newborn through 18. We will also be collecting new warm clothing items including scarves, hats, and gloves for children of all ages.

In addition, our parents truly appreciate gift cards as this enables them to choose their own gift for their child. We encourage you to choose from stores that are nearby: Target, Marshalls, Old Navy, Best Buy, and Stop n' Shop.

Every parent wants to be the provider of gifts for their children. Therefore, we plead with you to deliver your gifts to us **unwrapped** so we can let the parents participate in holiday giving by wrapping them themselves. If you want to leave wrapping paper and ribbon as well as a gift, that is an extra nice touch we appreciate, but not one we require.

How to Deliver your Gifts:

- Our Holiday Elves will be accepting gifts at our Community Building at 550 Dudley Street in Roxbury only during Gift Drop off days and times. The Gift Drive drop-off days are **Wednesday, December 10th– Thursday, December 18th**. **You can drop off gifts on those weekdays from 9AM-5PM and on the weekends from 1PM-4PM.**
- If more convenient, gift cards can be mailed to Project Hope to the attention of our Holiday Gift Drive Coordinator, Robyn Eastwood.
- To make another arrangement or to handle your questions, please contact Robyn at 617-442-1880 x206 or email her at reastwood@prohope.org.

Wishing you and your family the happiest of holidays,

Margaret Leonard
